Investigator Name : Kromka, Frank **Date of Report :** 03/29/2005

Investigation Report : On 3/2/05 the property room rejected inmate Webb's property because all of the property was not listed on the 537 forms. It was returned to the 8-4 shift commander to be re-inventoried. As of this date the property room has yet to receive the revised inventory of property. This is not a property room grievance.

Reason for Referring:

Investigator Name : Henry, Janice **Date of Report :** 04/12/2006

Investigation Report : Inmate was admitted to infirmary after being seen by medical during an appointment. He was taken off D-bldg count at 1525. His property was not inventory by 4-12 per request of 8-4. There is documentation from him and Cpl. Kromka that he did purchase gray gym shorts and headphone (extension). As far as receipt for envelops and foot items, he may or may not have them due to staff not inventoring his property. As it stands now, we failed to collect inmates property and secure same and should replace said items. Grievance forward to IGC for further action / correction.

Reason for Referring: Capt. Henry,
Would you please have someone do an investigation on this? Thanks. The inmate originally came from D bldg.

OFFENDER GRIEVANCE DETAILS

Description of Complaint: On April 29, 2005 I was moved to Building 21 under hearsay by someone who called here from Judge Cooch. Somebody called Lt. Lee and Inv. Ron Drake to have me moved here with nothing but the clothes I had on and 2 orange uniforms. It has now been almost 3 weeks since my arrival and I have yet to receive an inventory sheet, much less any of my property. I have legal work due in Superior Court on June 17, 2005. All my legal notes and paperwork is currently in the possession of the Dept. of Corrections; denying me access to the courts. Next, on May 18, 2005 I had a Grievance Hearing, and due to I don't have the envelop containing all my receipts the hearing had to be rescheduled denying me the effective grievance process.

Remedy Requested : An investigation as to wherre all my legal work, appliances, and commissary are located and an explanation as to why normal institution policies as not being followed and a note sent to the Supreme Court of Delaware stating I won't be able to file my brief on time in Case#185,2005

OFFENDER GRIEVANCE DETAILS

Description of Complaint: On April 29, 2005 I was moved back here and never received an inventory sheet. On May 27, 2005 my property was brought to me and the 8 x 4 shift would not give me an inventory sheet. While obtaining my stuff I asked the officer about my Oakley sunglasses. The other items missing are :

- 1 - 8 oz. tasters choice
- 1 - 4 oz. Maxwell house
- 1 - jalapeno potato chip
- 1 - hot potato chops
- 10size 12 shower shoes
- 1 mirror
- 1 nail clippers
- 10 4cent envelopes

Due to I have no inventory sheet other items might be missing. Also my tv has been damaged and the remote doesn't work to it.

Remedy Requested : The money placed back on my account, an investigation as to why my property was never properly inventoried, along with my sunglasses being replaced or the \$90 to \$110 value being placed on my account as well. Due to my mother's death I will not be able to produce the receipt for the glasses.

OFFENDER GRIEVANCE DETAILS

Description of Complaint: On May 6, 2006 I had a meeting with Counselor Todd Kramer and the only thing he had to say was that I need to be here without knowing anything about my rehabilitation status, my needs, my file, or anything else for that matter. He didn't even know my classification status where I am not classified to education or work. After the meeting I was told he was a former Correctional Officer; his now being a Counselor is a deliberate indifference to inmate rehabilitation needs, along with his creating a hostile environment with his smart mouthing and trying false actions is keeping me from progressing back to my college courses I have paid for and moving forward.

Remedy Requested : Either he be reassigned to another duty, provide what qualifies him to be a Counselor, or give him the option to resigned or be fired. Pass this Grievance to the Commissioner, Bureau Chief, Warden, Deputy wardens, Supervisory Counselors, and Mr. Kramer. This is their official notice.

OFFENDER GRIEVANCE DETAILS

Description of Complaint: On various dates this month letters were sent to me by my sister and a friend through the US Postal Office with my proper name and SBI number and location within the institution. The Mail Room sent on letter back to my sister stating DCC doesn't accept mail without proper postage. The second letter had my name does not match the SBI number, I've had the same SBI number since 1991. So there is a crime being committed with my mail being sent here via the US Postal Office and being returned under false circumstances. The second letter contained a money order. I will find out and update if it was opened or not.

Remedy Requested : A list of the names that work in the Mail Room
An apology letter sent to my sister
A memorandum put up that any more violations will result in criminal charges and/or civil action
Finally, an investigation. This is your official notice so please forward a copy to the Commissioner, Bureau Chief, Warden, both Deputy Wardens, and all Mail Room staff.

OFFENDER GRIEVANCE DETAILS

Description of Complaint: Inmate claims: Dr. Niaz asked the nurse about my HIV and TB test results which were supposed to be completed 4/19/06 or shortly thereafter. After reviewing my files I realized Dr. Niaz tried to start me on Interferon shots without following the proper medical procedures, such as a biopsy of my liver, mental health evaluation, discussing my blood platelet levels, and the possible side effects.

Remedy Requested : An investigation why these actions happened and keep happening, also a recommendation for me to be released since I have been treated two years now with such gross negligence; Also why on 2/20/05, I wasn't given medications and ice for my fever of 101.7 until it reached 104+ and my leg was bright red and the nurse put a heat pad on my leg, Dr. A was the doctor the nurse called.

APPEAL REQUEST

Appeal arrived 10/9/2006. Appeal accepted, Cpl Merson did not collect grievances/appeals due to being out on leave. Appeal states: The reasons I should be granted a medical release from prison are:

1. I'm being denied medical care that is below standard of care due to me in which on February 20, 2005 I almost died.
2. The staff here is trying to cut corners in medical where I have Hepatitis C and again the doctor tried to shortch the procedures to gave money which could have proved deadly.
3. On August 3, 2006 I filed a sick call slip the same day as this grievance being appealed was filed and have yet to be seen for medical attention, therefore I qualify to be released so I can get my own medical insurance, I don't need the staff trying to avoid serious situations and lying trying to avoid their job.
4. Medicals actions amount to malpractice, gross and wanton negligence, I have been more then fair I need medical attention that is adequate not speedy to save money, I can get a job and get my own insurance.
